Market Area

The market area for the Central Colorado Regional Airport includes the counties of Chaffee, Fremont, Gunnison, Lake, Park, and Saguache.

Step 1. Actual relative availability of DBEs

The base figure for the relative availability was calculated as follows:

Method: Use Colorado United Certification Program (UCP) DBE Directories (<https://coucp.dbesystem.com>) and Census Bureau Data (<https://data.census.gov>).

Weighted Availability of DBE firms:

Fiscal Year 2024

For 10/1/2023 - 9/30/2024, award of the following is anticipated:

No Federally assisted projects over \$250k are anticipated for Fiscal Year 2024.

Fiscal Year 2025

For 10/1/2024 - 9/30/2025, award of the following is anticipated:

See table below for Fiscal Year 2025 project details.

Fiscal Year 2026

For 10/1/2025 - 9/30/2026, award of the following is anticipated:

No Federally assisted projects are anticipated for Fiscal Year 2026.

Project Name	Trade Description	NAICS Description	NAICS	Trade (\$)	Directory	Census	DBE (%)	DBE (\$) (= Trade \$ x DBE %)
North Apron Reconstruction & Expansion (Construction)	Earthwork	Site Preparation and Earthwork	238910	\$50,000	0	61	0.0%	\$0
North Apron Reconstruction & Expansion (Construction)	Land Surveying	Land Surveying Services	541370	\$15,000	1	10	10.0%	\$1,500
North Apron Reconstruction & Expansion (Construction)	QA Testing	Testing Laboratories	541380	\$50,000	0	1	0.0%	\$0
North Apron Reconstruction & Expansion (Construction)	Heavy and Civil Engineering Construction	Highway, Street, and Bridge Construction	237310	\$395,000	0	3	0.0%	\$0

**Central Colorado Regional Airport
FY 2024-26 Overall DBE Three-Year Goal Methodology**

North Apron Reconstruction & Expansion (Construction)	Hauling	Specialized Freight Trucking, Local	484220	\$50,000	0	14	0.0%	\$0
North Apron Reconstruction & Expansion (Construction)				\$560,000			0.3%	\$1,500
Fiscal Year 2025 Total				\$560,000			0.3%	\$1,500

The base goal projection after weighting is as follows:

- Total Weighted DBE Availability: **\$1,500**
- Total for All Trades: **\$560,000**

Dividing the weighted DBE totals by the total estimate for all trades gives a base DBE availability figure for the projects anticipated during the goal-setting period. This figure is expressed as a percentage and serves as the basis for the three-year overall goal.

Base of DBE Goal: **0.3%**

Not enough historical data on DBE participation is available to reference to make an adjustment to the Step 1 base figure; therefore, Central Colorado Regional Airport is adopting the Step 1 base figure of **0.3%** as the overall goal for this three-year goal period (FY 2024-26).

Breakout of Estimated “Race and Gender Neutral” (RN) and “Race and Gender Conscious” (RC) Participation

Central Colorado Regional Airport will meet the maximum feasible portion of the overall goal by using race neutral means of facilitating DBE participation.

1. Arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitates DBE, and other small businesses, participation;
2. Carrying out information and communications programs on contracting procedures and specific contract opportunities;
3. Ensuring distribution of DBE directory, through print and electronic means, to the widest feasible universe of potential prime contractors;

Central Colorado Regional Airport estimates that in meeting the established overall goal of 0.3%, it will obtain 0.0% from RN participation and 0.3% through RC measures.

This breakout is based on:

The RN DBE participation is expected to be 0.0% of the overall goal due to the engineering portion of the FY 24 North Apron Reconstruction and expansion (Design) project being contracted through an on-call type contract. The entire DBE goal will then need to be accomplished through the construction portion of the project. To ensure that this Overall DBE

participation is met through construction, the 0.3% goal will be achieved through RC measures.

Central Colorado Regional Airport does not have a history of DBE participation or over-achievement of goals to reference and expects to obtain its DBE participation through the use of DBE contract goals or a conscious effort to obtain DBE participation. Therefore, the entire goal of 0.3% is to be obtained through race-conscious participation.

Central Colorado Regional Airport will adjust the estimated breakout of race neutral and race conscious DBE participation as needed to reflect actual DBE participation (see §26.51(f)) and track and report race neutral and race conscious participation separately. For reporting purposes, RN DBE participation includes, but is not necessarily limited to the following: DBE participation through a prime contract obtained through customary competitive procurement procedures; DBE participation through a subcontract on a prime contract that does not carry a DBE goal, DBE participation on a prime contract exceeding a contract goal, and DBE participation through a subcontract from a prime contractor that did not consider a firm's DBE status in making the award.

Consultation

In establishing the overall goal, Central Colorado Regional Airport provided for consultation and publication. This process included consultation with minority, women's, and general contractor groups, community organizations, and other officials or organizations which could be expected to have information concerning the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for DBEs, and the Central Colorado Regional Airport's efforts to establish a level playing field for the participation of DBEs. The consultation included a scheduled, direct, interactive exchange with as many interested stakeholders as possible focused on obtaining information relevant to the goal setting process, and was conducted before the goal methodology was submitted to the operating administration for review. Details of the consultation are as follows.

The consultation was through teleconference (via Microsoft Teams), which was held on January 24, 2024, at 10:00 am (MT).

Participants included:

- Jack Wyles – Central Colorado Regional Airport Manager
- Jim Hodge – Dibble Engineering

The following comments were received during the course of the consultation: **[Pending]**

A notice of the proposed goal was published on the Central Colorado Regional Airport official website (www.buenavistaairport.com) before the methodology was submitted to Federal Aviation Administration.

If the proposed goal changes following review by Federal Aviation Administration, the revised goal will be posted on Central Colorado Regional Airport official website (www.buenavistaairport.com).

Notwithstanding paragraph (f)(4) of §26.45, Central Colorado Regional proposed goals will not be implemented until this requirement has been met.

Sample Public Notice Language

PUBLIC NOTICE

Central Colorado Regional Airport hereby announces its proposed Disadvantaged Business Enterprise (DBE) participation goal of 0.3% for FAA-funded contracts/agreements. The proposed goal pertains to federal fiscal years 2024 through 2026 (10/1/2023 - 9/30/2026).

A teleconference (via Microsoft Teams) will be held on January 24, 2024, at 10:00 am (MT) for the purpose of consulting with stakeholders to obtain information relevant to the goal-setting process. Those wishing to participate can phone into the meeting by dialing **(480) 378-0989** and when prompted use Conference ID: **482 601 681#**
